

What if I am unable to attend the in person service?

- Please join our livestream at 10:30am, 4pm or 6pm

What can I expect with the livestream service?

- A livestream is a video feed of what is happening at church.
- The Order of Service will be available on the Church Hill website for download.
- Here is the link to the livestream: youtube.com/c/churchhillanglican/live
- It allows people to go directly to our YouTube with whatever is currently streaming.
- People will be able to log on from 10:30am, 4pm and 6pm to join in.
- You will be able to sing if you are at home live streaming in!

What if technology fails?

- This is new to all of us and I trust you will be gracious and understanding toward your own computer if it frustrates you, and to those working to make this happen if it fails on the day. On Sunday, the best place for an update is our website.
- In the absence of a livestream we recommend you read the passages that are being read and explored, and discuss the following questions with others in your household, or over the phone, before praying together:
 - **What does this teach us about God?**
 - **What does this teach us about Jesus?**
 - **What does this teach us about ourselves?**
 - **What does this remind us about how to be saved?**
