

# A Doubter's Guide to JESUS

An introduction to the man from  
Nazareth for believers and skeptics.

John Dickson, author, academic and media presenter, returns to St Philip's and The Garrison Church next month to introduce us to the Jesus we never knew, in all his multi-layered complexity.

Our best information points not to a tidy, monolithic Jesus, but to a complex, multi-layered and, at times, contradictory figure. While some might be troubled by this,

others take it as an invitation to imagine a neater Jesus, more palatable to our own thoughts and beliefs.

After two millennia of spiritual devotion and more than two centuries of modern critical research, we still cannot fit Jesus into a box. He is destined to stretch our imaginations, confront our beliefs, and challenge our lifestyles for many years to come.

This June, we invite you to come and hear John and meet Jesus, whether that's to meet and consider him again or for the first time.

Don't miss this opportunity.
